THE Fun For'em

Always different. Always fun.

MESSAGE from the General Manager

Ah—Spring. Though South Florida's spring isn't as dramatic as those felt in other parts of the country, spring is still a wonderful season. And this spring is actually a bit more dramatic than some years, as we've had such a chilly winter—by Florida standards, anyway.

The signs of spring are here, though you may have to look a little to find them. But when you do, be sure to point them out to the children in your life. Whether it's a family of newborn ducklings or a beautiful, flowering tree.

Here at The Mall at Wellington Green, we see changes, too. We're starting to see the colorful spring styles arrive in many of our stores. Leading the spring color palette are exciting, mood-lifting brights like sunny yellow, azure blue, tangerine orange and tomato red. Stop in your favorite children's clothing store and check out the exciting spring fashions. The cheerful colors are sure to put a smile on your child's face, and yours, as well.

With spring also comes a parade of holidays—many of them involving gift giving. Whether you're looking for an Easter treat for your favorite little one, or they're looking for a Mother's Day or Father's Day gift for you—or even if you need graduation or wedding gifts, the stores at The Mall at Wellington Green have some exciting, new gift ideas. Bring your favorite MallStar with you when you go shopping, and when they get hungry, stop by Joe's American Bar & Grill, a new, family-friendly restaurant at the mall. Here you'll find a host of delicious choices for adults and an extensive menu for kids. The kids' meals even include a drink and an ice cream sundae—what could be better?

Savor spring fever and feel the spring in your step. You'll need it to keep up with the kids! Happy spring!

Make Mom's Day This Mother's Day

She packs your lunch. Helps you with your homework. Fills out those endless permission slips. Picks out your clothes. And makes sure you wash behind your ears. She dedicates herself to your family every day. So what will you do when Mother's Day comes around this May? Hopefully something really special! So grab Dad, Grandma, a big sister or brother or a favorite babysitter and go shopping!

If you're looking for some fun gift ideas, The Mall at Wellington Green is packed with great options that will make Mom smile. Here are some of our ideas:

1. **A SWEET TREAT** – If Mom was born with a sweet tooth, head to the Godiva store for supremely decadent, chocolate treats. Or put together a basket of her favorite confections at Sweet Factory.
2. **DEAR MOM** – Lots of moms love pretty papers and note cards. If your mom's one of 'em, stop by Papyrus and look through their selection of fanciful paper products.
3. **POLISHED UP** – Pink or red, coral or mauve, blue or green, maybe even French—pamper Mom with a gift certificate for a manicure or pedicure. There are lots of choices at the Mall, including 90's Nails and Nail Pro Beaute Spa.
4. **CLEAN & FRESH** – Does Mom love a long, hot bath? Stop by Bath & Body Works and look for the scent that'll make mom smile. Then have them wrap up her favorite products into a beautiful basket. Or try Aveda, where unique, natural products will make Mom feel like she's at a high-end spa.
5. **LIFE IS GOOD** – With her as a mom, you think so—now let her know. At Annie's Hallmark you'll find an assortment of Life is Good products—from tees and PJs to mugs and bags.
6. **READ HER MIND** – Is Mom a reader? If so, Waldenbooks has an assortment of choices. There are cookbooks and art books, travel guides and how to's, mysteries and romances. Now she just needs to find the time to read it!
7. **FOLLOW YOUR NOSE** – Does Mom need a refill on her favorite perfume? Or perhaps a new scent to try? Both Perfumania and Perfume Express have a wide selection of favorites.
8. **BE JEWELLED** – A new pair of earrings or a necklace can make Mom's day. And they don't have to be expensive to put a gleam in her eye. Check out the latest (affordable) bling at Chico's or Ann Taylor. Mom will wear it with style.
9. **YOU-NIQUE** – No one loves you like Mom does. Give her something special to remind her of you. Have a special portrait taken at Picture People or make your own DVD at Be A Star. Or design a special cap just for Mom at Lids. You can decorate it with her favorite breed of dog, sports team or whatever else Mom loves.
10. **NIGHT OUT** – Give Mom a break from the kitchen with dinner at one of her favorite restaurants. Try TooJay's Original Gourmet Deli, Campagnolo Trattoria, Joe's American Bar & Grill, California Pizza Kitchen or Ruby Tuesdays. Then how about a Mother's Day cake from Carvel!

Whatever you do, do it from the heart. And make Mom's day one she will remember! Happy shopping...
